Hi Diana:

Whom should I contact about the green belt trees/shrubs behind my house that need to be trimmed away from house?

My neighbor Mike Sprague said he contacted someone about it..I'd like to add my name to the list, pretty please.

Thanks ever so much.

Hi Linda,

I don't know what prompted you to send this sort of email to us, but it's not the sort of thing I wish to receive. Please remove our email from your advertising/soliciting list. Also, if you have used the Amberleigh directory list for this sort of thing, I must remind you that this is *not* an appropriate use. Homeowners have been promised that their names will not be used for public solicitations, as the Homeowner directory is just for our own private *non-commercial* neighbor-needing-to-contact-a-neighbor basis...not for advertizing!

Please contact me if you have any further questions.

I am asking you to do something for me: Forward these invitations.

- I know you know someone who is either getting a divorce, thinking about a divorce. Please forward them the invitation about divorce.
- On the other hand, who do you know who is planning retirement in the next 5 years? Send them the Social Security one!

They will thank you. And I do, too. Of course, you are invited, as well. There are only so many chairs, so get your reservation in early!

Parking is free, dinner is served – ahhh. No worries. Come.
